Astah Free Student License

How to set license
(<https://astah.net/support/set-student-license/#set>)

If license set up fails
(<https://astah.net/support/set-student-license/#fails>)

This page shows you how to set up your student license to Astah.

If you already have applied for a free student license, please [download Astah UML](https://members.change-vision.com/old/files/astah_UML/12_0_0?__hstc=213467467.602ae1878461a2e216faaec794ba3) (https://members.change-vision.com/old/files/astah_UML/12_0_0?__hstc=213467467.602ae1878461a2e216faaec794ba3) while you are waiting for your license to be delivered via email.

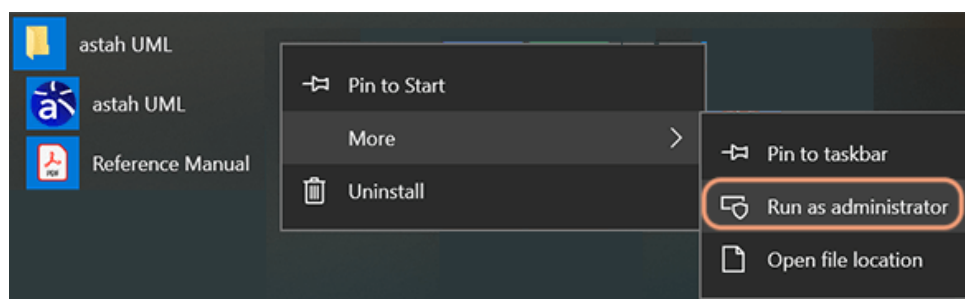

If you do not have a free student license yet, please apply from [this form](https://astah.net/products/free-student-license/) (<https://astah.net/products/free-student-license/>).

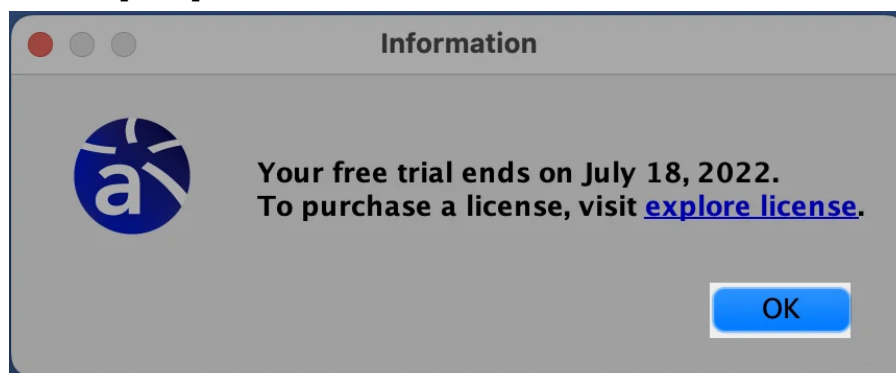

Students / Estudiante (<https://astah.net/products/free-student-license/>)
 Knowledge Base (<https://lp.astah.net/en/knowledge-base>)

How to set license

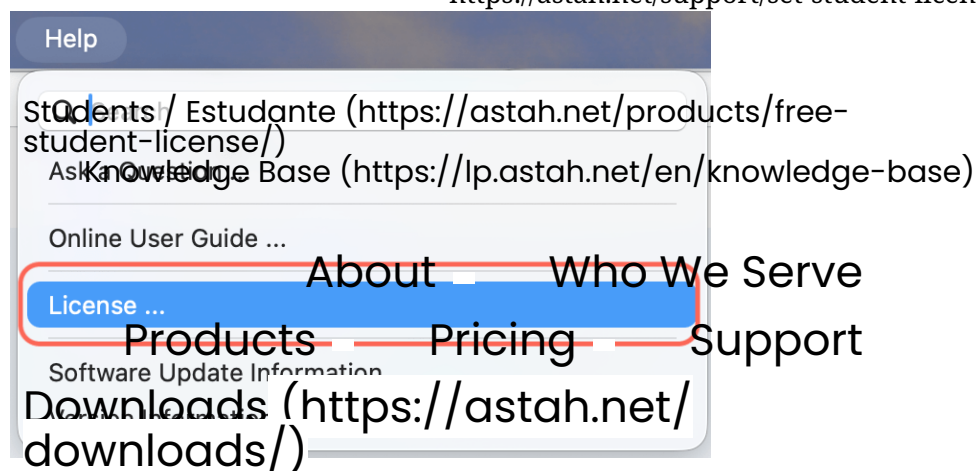

1. Download Astah UML (<https://astah.net/downloads/>)
https://www.ge-vision.com/old/files/astah_UML/12_0_0?__hstc=213467467.602ae1878461a2e216faaec794b
2. Launch Astah UML. If you are on Windows, run it as Administrator.

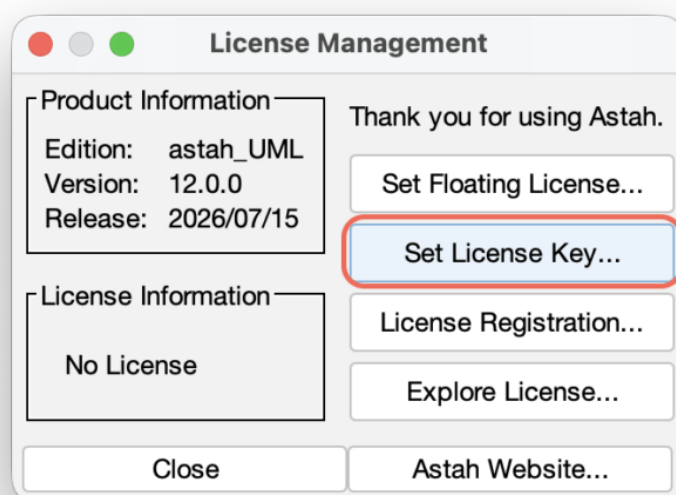

3. If this is your first time launching Astah, it'll run as a trial and you will get a pop-up like this. Click [OK].

4. Go to [Help] – [License] from the main menu.

5. License window opens, click [Set License Key] button and select the license file(astah_uml_license.xml) you downloaded.

6. You are all set!

If license installation fails

If license installation fails, please try these steps:

1. Close Astah UML.
 2. Save your student license file (.xml) in the Astah UML installation folder (~~https://astah.net/astah-
student-license/~~ <https://astah.net/en/knowledge-base>)
 3. Start Astah UML.
 4. Then your license file should be installed.
